

It's time for the 2025

City of Santa Ana's Most Beautiful Yard Contest

!!! Your nominations are needed !!!

What it is:

This annual contest is designed to recognize residents within each of Santa Ana's neighborhoods who have improved or maintained the landscaping of their home in an exemplary manner.

What criteria the judges look at:

- 65% plant material, with no more than 35% hardscape
- Aesthetic balance between landscaping and property itself
- Condition/care of landscaping
- Special creative efforts in landscaping
- Any design theme (herb, drought tolerant, desert, traditional, etc.) is acceptable
- Condition of driveway is taken into consideration
- Items that should be stowed away are stowed away

Overall, an excellence in home and property maintenance!

What we need from you:

In the next couple of weeks as you're walking, driving, or simply staring out your front window... look left... look right... look across the street... look for properties that are beautiful to your eye, meet the above criteria and then send us the details: address, and name and telephone (if you have it) of owner (if you can only provide the address, we'll do some sleuthing).

What then:

Representatives from the Floral Park Beautification Committee will review all the entries, select three properties within Floral Park (the maximum the City is asking for) and then it's a wait and see for all of us as the City makes their selections for the winner in each individual neighborhood.

Let's do this thing!

Email your nominations **by April 30th** to:

Beautification@floralpark.com
